

EES

Electrical residential / light commercial water heater

EES - 30/40/52/66/80/120

Vertical electric water heater for residential / light commercial applications • Two replaceable Incoloy-sheathed elements • Each element is provided with an independent control thermostat (adjustable: 43 - 77 °C) • Secondary protection is provided by a high-limit thermostat with manual reset • PermaGlas Ultra Coat second-generation glass coating technology to prevent corrosion • Replaceable magnesium anode • Optional ancillaries: Unvented kits • Destratification pump kit • Powered anodes • Time controller

Installation diagrams

Vented

EES 30-120

Unvented

EES 30-120

- 1 Pressure reducing valve
- 3 T&P valve
- 4 Stop valve
- 5 Non-return valve
- 9 Drain valve
- 11 Isolating valve
- 15 Expansion relief valve
- 16 Expansion vessel
- 17 Three way valve
- 18 Water tank
- 19 Float valve

- A Cold water
- B Hot water
- E Overflow pipe
- H Expansion vent pipe

A.O. Smith unvented system kits utilise combination valves.

Further installation and connection details can be found in the Installation & Commissioning Manual.
